

# Invisible Reader™

CONCEALED 125 kHz PROX READER Patent Pending

## Concealed Secure Vandal-Proof

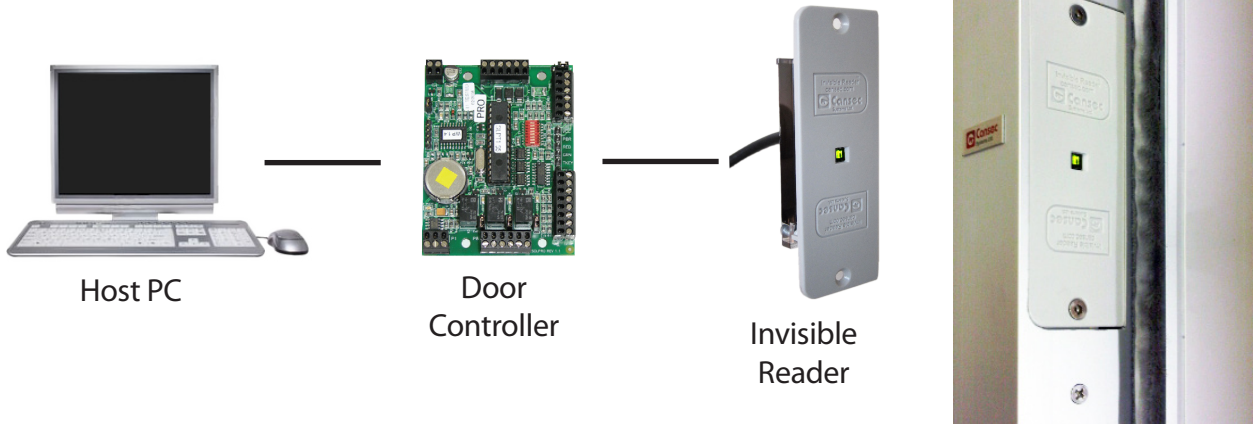

The perfect solution for entrances where vandal resistance is a high priority or where high profile aesthetics must be preserved. Easily installed in new and existing wood or aluminum entrances. Compatible with all 125KHz HID® and AWID® clamshell and Thin Prox cards, as well as Prox Tags. Simple and intuitive to use. Does not affect weather seal or structural integrity.
